## Welcome Back

What a great first day of school! We enjoyed getting to meet our new 6<sup>th</sup> graders and we loved seeing our returning students. There are a handful of students that are still not in the correct class and we are working on those with the counselors. Schedules should be fixed by the end of the week.

Take note of our Parent Meetings and Instrument Drive next Monday. Our beginner parent meeting will be at 6pm followed by our meeting for Symphonic Band and Wind Ensemble at 7:30pm. For those students that have not acquired an instrument for band (or accessories), Music and Arts will be at our school from 5pm-7:30pm to take care of any rentals, saving you a trip to the music store!

In class this week: Students will be assigned their band locker and combination locks. Students will receive their band binder. Our 7<sup>th</sup> and 8<sup>th</sup> grade classes will begin playing in class and we are learning correct posture and classroom procedures in the beginner classes.

## Band Camp 2017

We had a great group of kids for our 7<sup>th</sup> and 8<sup>th</sup> grade summer band camp! We learned a few of our pep band tunes for the fall semester.
