21 OCTOBER 2018

Dear Navo Beginner Band Family-

We are nearing the end of October already! This month is flying by. We had a great week in band. Students are continuing to improve each day! Students received their Winter Concert music last week and we will be starting to learn those soon! Don't forget that you can always check your child's band binder to see their current objective sheet. This lays out the things students will be learning this nine weeks and as we initial those objectives, you'll see what students have mastered and what things they still need to work on.

Our winter concert will be at Braswell HS in the auditorium. The dress for this concert is Sunday/Holiday Best (no jeans or shorts please). The concert will be at 7pm with students needing to be in their seats by 6:30pm.

I know I said this last week, but please encourage students to be practicing their instruments at home. We encourage daily practice to help reinforce what we are teaching in class. Students should be taking their instruments home and back to school each day. They may come to the band hall on the way to their buses or cars in the afternoon to pick-up instruments and they can return those instruments to their band lockers in the morning before classes start.

I've heard a few students tell me they are not allowed to bring their instrument home on the bus. If this is the case, please let me know so I can figure out how many (and who) is having an issue with this and maybe I can get something worked out. Thanks!

This week in school is red ribbon week! We love our band students to be the most spirited kiddos in school. Monday - Black out drugs...Wear BLACK. Tuesday - Rock good choices...wear your favorite band/group/singer t-shirt. Wednesday - Exercise your mind, don't do drugs...wear workout gear. Thursday - Double up against drugs...twin day. Friday - Red out drugs...wear RED! We hope to see many participating!

A big congrats goes to our Braswell High School Band for their UIL performance last weekend. The band received straight first divisions from the judges which earned them the sweepstakes trophy! We are so proud of them!!! If you haven't had a chance to see their marching show "Lotus" there are a few more opportunities to see them.

---October 26 Home game at Collins Stadium in Denton (our 8th graders will be there too!!!)

---October 27 Marching contest in Saginaw

---November 9 Home game at Collins Stadium in Denton (Senior night)

I hope you have a wonderful week!

Mrs. Anderson
