Weekly Navo Band Newsletter for Beginner Band:

We are still continuing to work on basic fundamentals on our instruments as well as preparing our concert music for December. Encourage your children to play what they know for you so far. Students are learning the two pieces I mentioned last week as well as Patapan. The more comfortable they feel performing on their instrument the easier concerts and performance tests will be for them. Playing for family over the holidays is a great time to perform!

Mr. Hudson's students are probably already logged in to their google classroom site for band, but Mrs. Anderson's classes are just now getting logged in. Below are the google classroom codes for our class (clarinet class should be a 1 (one) not an l (L)). Please check with your child to make sure they have added our class to their google classroom. They must be logged in to their Denton ISD gmail account.

Google Classroom Codes
