

Private Lesson Program at Navo MS

In addition to individual band classes for your students, we would also like to encourage your child to take private lessons. Each private teacher has been selected to teach in our school by Mrs. Anderson, Mr. Hudson, and the Braswell band staff, then approved by the Directors of Fine Arts for Denton ISD. Private Lesson teachers are experts on their individual instruments.

Lessons are about 25 minutes long, once a week at a cost of \$18.00 per lesson. Times are worked out between the parent and the private teacher. Many lessons will happen during your students' band class. Lessons will be held at Navo MS. **Lessons are not required, and will not affect your students' grade. However, students who take this opportunity, tend to progress at a much faster rate.**

We hope that this information is helpful. If you have any questions regarding the private lesson program at NMS, please do not hesitate to call or email us.
