

Navo Beginner Band Instrument Drive

Monday, August 21, 2017

5:00-7:30 PM

Navo MS Band Room

The instrument selected for your child to play in the Navo Band requires that you own, buy, or rent an instrument to use in class.

On Monday, August 21st, representatives from Music & Arts will be here in the band hall with instruments and contracts for those of you interested in renting an instrument at this time. They will be in the band hall from 5:00pm until 7:30pm. The Beginner Band parent meeting will be at 6:00pm in the band hall as well.

Attendance at the instrument drive is strongly recommended if you have not acquired an instrument for your child. Our goal is to have every student with an instrument in hand on Tuesday, August 22nd. If you have already purchased an instrument for your child to play but are unsure of its playing condition, please bring it in so that we can evaluate its usability for your child in class.

As always, feel free to contact us at any time if you have questions or concerns.

Sincerely,

Elizabeth Anderson
