Dear Navo Band Family-

Good evening Parents and Students! From here on out, our newsletters will not be combined with the Beginner Band. There are too many differences with our groups and the calendar. I don't want to cause any confusion within the newsletters.

What a fun game night we had on Friday! Thank you to everyone who came and brought yummy snacks and drinks! Thanks to our band officers for bringing most of the games we had out. Thanks to Mr. and Mrs. Perrin, Mrs. Comport, and Mr. Anderson for helping Mr. Hudson and I with our game night!

I have one quick calendar update: Our Pre-UIL Concert and Sightreading contest has been moved from February 11th to February 5th. It has been updated on our band calendar page. Please update your paper copies. Thank you!

Symphonic Band - Mr. Hudson is continuing to work on Handclap and Mission Impossible with students. Please make sure students have completed their google classroom assignments for Mr. Hudson. If you have any difficulty, don't hesitate to see one of us to help you.

Wind Ensemble - Students are continuing to work on fundamentals, scales, and band music during class. We are working on Handclap, Louie Louie for Sounds of the Stadium. We are working on a piece called Freefall! and Winchester March for our Fall Concert, and many other pep band tunes to perform at pep rallies, etc. During sectionals we are working on scales and our All-District/All-Region music. Students were assigned a google classroom recording assignment after their last sectional and they were given a week to get that done. I am assigning them 2 scales and small portions of their music each week after sectionals.

Percussion students - Mr. Lennox meets with our students every other day during their band class to work with our percussion students. They are working on percussion fundamentals, all-district music, and their band music.

Here is a glimpse at our new band shirt. They will be here before our 1st performance.

Have a wonderful week!!!
